Main Street Series Promises to Revitalize One Small Town

NewsUSA

(NU) - Small businesses are the lifeblood of communities and the U.S. economy. Now, Shark Tank's Robert Herjavec and Amanda Brinkman, of Deluxe Corporation are debuting Season 2 of the acclaimed "Small Business Revolution – Main Street" series, which streams on Hulu and at SmallBusinessRevolution.org.

The series showcases the importance of small businesses and chronicles how Deluxe provides a \$500,000 makeover of one lucky small town and its small businesses.

They're also asking the public to nominate their favorite small town for a chance to receive their own transformation and be featured in Season 3.

Earlier this year, people across the country cast nearly 1 million votes to select Bristol Borough, Pennsylvania, as winner of a \$500,000 Main Street makeover and to be featured in Season 2. With the help of Herjavec and Brinkman, the riverfront town is now seeing new life.
